Description

Income Tax Preparation Kiosk

INCOME TAX PREPARATION KIOSK OPERATING FUNCTIONS

[0001]

An automated kiosk linked to the central databases of Dumas & Associates, Incorporated who will then access IRS and various software databases so customers can input criteria requested by the linked database from Dumas & Associates, Incorporated. Customers will be able to pay at the kiosk with cash, credit or debit cards. The kiosk will provide the customer with their copies of an IRS forms for the year they are filing, and they will be able to go to any kiosk linked to the data base the next day and receive a check from the kiosk or an explanation as to why their check is not available.
